

## RULO SIDEBOARD

SKU: TAR7043

The Rulo Sideboard is made from spalted Mexican Oak, selected for its natural variation and rich visual texture. Through our sunbleaching process, the wood is gently lightened while preserving the distinct coloration and movement of the spalted areas. A slim metal base and discreet handles provide structure without drawing attention away from the wood. With its simple proportions, the piece keeps the focus on the organic patterns and surface character of the wood. Finish: Sunbleached Wood: Spalted
