

DOLOMITAS DINING TABLE

SKU: UUT4000

Inspirations are experiences transformed into ideas. One of the treasures of design is to give shape and life to products that bring something special into their conception. Thus emerges the Dolomites Dining Table, a piece of iconic design made with a solid wood base with MDF, inspired by the beautiful Dolomites region, a chain of rocky mountains in northern Italy, recognized by UNESCO as a world heritage site because of its natural beauty and its scientific importance at the geological level. Dimensions: W 98" x D 47" x H 30"
