

ARC FLOOR LAMP

SKU: REA2000

The Arc Floor Lamp uses organic shapes in a structured fashion. At the end of a tall arc a dome shaped shade casts downlight from a single bulb. Adjustability has also been considered, the stem can be moved side to side, complete with a small handle near the shade for adjustable lateral positioning of the dome and stem. The simplicity in the form of this piece will compliment a variety of interior styles, from traditional to more contemporary. Dimensions: W 10" x D 36" x H 83.5"
