

## **GEMMA TABLE LAMP**

SKU: TER2315

With its smoked crystal base and pale brass neck, the Gemma Lamp beautifully toes the line between moody and glamorous. Beyond its contrast in materials, the seeming randomness of the crystal's diamond-like facets is a stark contrast to the neck's classically chic pale brass finish. Topped with a cloud gray microfiber shade and matching pale brass finial.Dimensions: W 13.5" x D 9" x H 23"
