

SWOOP TABLETOP SCULPTURE

SKU: PHI1059

One look at the Swoop Small Sculpture and it's clear that creating drama with wood is in the HW Home's DNA. Uneven bands of wood are curved and wrapped around each other in an asymmetrical design that creates a powerful curved wood sculpture. We've placed the spooning slats on a minimal black metal base to keep the overall lines of the decorative accessory clean.Dimensions: W 25" x D 8" x H 23"
