

TRONCO COCKTAIL TABLE

SKU: TAR1112

The Tronco Cocktail Table, crafted from Guanacaste wood, is designed to resemble a tree trunk, or "tronco" in Spanish. Using oyster and vertical cuts of the wood, it achieves its distinctive shape. The "Abstract Metal" finish is created by stacking and spraying water on steel sheets, which are sun-dried over a month to develop unique rust patterns. The sheets are then cleaned and sanded before final assembly, adding a unique touch to the piece. Dimensions: W 54" x D 39.37" x H 18.12"
