

POPPY FLOWER WALL ART

SKU: PHI286L-SB

For those who believe the phrase floral wall sculpture means a flowery affair, it is true in one sense but not in another, as the contemporary lines and detailing of the Poppy Flower Silver Wall Art makes our version of a flower sculpture a bit of a chameleon. You can certainly see a blossom in its bones but if you stare at it for a while, you'll see a piece of modern wall art that could shape-shift into many things. Group these beauties on a wall for even more power. Dimensions: W 48" x D 1 x H 48"
