

SARSA FLOOR LAMP

SKU: TER3025ET

Architectural brilliance is realized in this industrial-inspired floor lamp. The towering, fixed-angle sarsa is constructed with an ebonized wood arm mounted onto a natural travertine base. A black cloth cord runs along the length of the piece, with suspension points at different heights. The extra length can be wrapped around the mounted anchor on the side. The lamp is fitted with an off-white linen drum shade with an off-white cotton lining and a dimmer switch. Finish will vary.
