

LANNA DESK

SKU: BGW221E

The Lanna is a very refined desk made from a rich straight-grain oak —rather than cathedral grain— lending a more modern and sophisticated aesthetic. The overall shape of the Lanna is architectural, light, and sculptural. The workspace is quite large—like an augmented writing desk, providing a significant surface with ample space for a monitor, laptop, or many documents. It's accented with conical legs featuring bronze sabots and each drawer is fitted with our exclusive, custom-cast pulls. We've combined the French pull style known as "Passementerie" with a bronze finish to give the desk subtle streamlined appearance. Reminiscent of a historical, archival piece of furniture, the modern oak Lanna desk will undoubtedly be an heirloom item. Dimensions: W 55.5" x D 23.5" x H 30.5"
